FOR IMMEDIATE RELEASE

State Route 37 Intermittent Overnight Closures-Pavement Survey Work Starts 10:00PM Thursday, February 4, 2016

SOLANO and SONOMA COUNTIES – The California Department of Transportation (Caltrans) will perform overnight pavement survey work on State Route 37 (SR-37) between Vallejo and the Solano/Sonoma county line.

The work is scheduled to start Thursday, February 4 at 10:00 PM and will conclude at 3:00 AM Friday, February 5. All work is weather permitting.

Intermittent State Route 37 Closures:

To ensure public and worker safety, intermittent overnight closures of SR-37 between the Mare Island exit in Vallejo and the Sonoma Creek Bridge at the Solano/Sonoma county line are scheduled.

Crews will close the highway in both directions 15 minutes at a time then reopen the highway to release traffic. CHP will help direct motorists in both eastbound and westbound directions. Motorists should expect delays and allow for extra travel time.

Please drive cautiously and leave a safe traveling distance between your vehicle and the vehicle ahead of you.

For real-time traffic, click-on Caltrans Quick Maps at: <http://quickmap.dot.ca.gov/>

Or follow us on Twitter at: <https://twitter.com/caltransd4>

Caltrans appreciates your patience as we work to maintain the highways.
